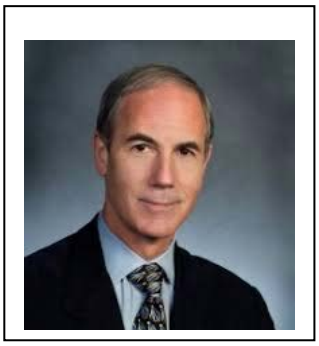
CURRICULUM VITAE

PERSONAL



NAME: Robert A. Vigersky, M.D.

PROFESSIONAL APPOINTMENT: Professor of Medicine, Uniformed Services University of the Health Sciences and Senior Medical Director, Medtronic Diabetes

EDUCATION: B.A. and M.D., Boston University, Six-Year Program in Liberal Arts and Medicine, 1970

WORKING EXPERIENCE:

1970-72 Medical Intern/Resident, The Johns Hopkins Hospital
1972-75 Clinical Associate, Reproduction Research Branch, National Institutes of Child Health and Human Development, National Institutes of Health, Bethesda, Md.
1975-76 Medical Officer and Staff, Reproduction Research Branch, National Institutes of Child Health and Human Development, National Institutes of Health, Bethesda, Md.
1976-82 Staff Endocrinologist, Kyle Metabolic Unit, Walter Reed Army Medical Center, Washington, D.C.
1982-84 Assistant Chief, Kyle Metabolic Unit, Walter Reed Army Medical Center, Washington, D.C.
1984-2000 Endocrine and Diabetes Group of Washington
1997-2000 President, Endocrine and Diabetes Group of Washington
2000-2015 Colonel, Medical Corps, Walter Reed National Military Medical Center
2000-2015 Director, Diabetes Institute, Walter Reed National Military Medical Center
2015-present Red Cross Volunteer Staff Endocrinology (WRNMMC)
2015-2017 Medical Director, Medtronic Diabetes
2017-present Senior Medical Director, Medtronic Diabetes

MAJOR RESEARCH AREA

Use of technology to improve outcomes of patients with diabetes.
